

Mr. Hearn continues to lift the Tampa Bay community through his church, Allen Temple AME, and his fraternity, the Omega Psi Phi Fraternity, Inc. where he was initiated into the Pi Iota Chapter in 1977. Mr. Hearn served in numerous roles for the fraternity including as chair of the Just Gents program, which mentors young African American male students from Ernest Everett Just Elementary School.

Mr. Hearn has a deep love for this community and is constantly fighting to ensure everyone understands that Black History is everyone's history. Sparked by his mentorship with Robert Saunders and the publication of Mr. Saunders' book, *Bridging the Gap*, Mr. Hearn started to have a deep interest in local history. In 2005, he started his own tourism business, Fred Hearn Tours, LLC, which included both bus and walking tours of Tampa's African American history. The next year, he wrote an autobiographical book titled, *Getting it Done: Rebuilding Black America Brick By Brick*. Mr. Hearn is the president emeritus of the Tampa Bay Chapter of the Association for the Study of African American Life and History (ASALH).

Mr. Speaker, on behalf of a grateful Tampa Bay community, during this Black History Month, we salute and honor Mr. Charles "Fred" Hearn for ensuring that history is written truthfully, fully and with a persistent shining a light on the struggles, contributions and success stories of our local unsung Black neighbors.

CELEBRATING THE LIFE OF SHONDA RENNAE MAGNESS

HON. PAT FALLON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 7, 2023

Mr. FALLON. Mr. Speaker, I rise today to celebrate the life of Shonda Rennae Magness of Telephone, Texas. Mrs. Magness was born on January 18, 1965. She graduated from Crane High School in 1983 and was a star basketball player at Odessa College. While at Odessa, she met her first husband, Tommy Stahl, and was married for 25 years. Together, they raised two beautiful daughters, Lauren Bennett and Lindsey Stahl.

For over 27 years, Mrs. Magness worked at law firm specializing in local government, where she made loyal friends all over the state and brought smiles to all who knew her. She became the County Purchasing Agent for Fannin County and was highly successful in government procurement. Mrs. Magness remarried, and wed the next great love of her life, Jerry Magness, on June 10, 2017. Since then, they have lived on their ranch in Telephone, Texas.

She was proud of being a "rancher's wife" and even learned how to work cattle herself. In her free time, she loved to coach and play volleyball. She was also an active member of the Kiwanis Club of Bonham, Texas. Mrs. Magness was a woman of faith whose cheer would bring joy to the lives of everyone she interacted with. She was affectionately referred to as "Nana" by her grandchildren.

I have requested the United States flag be flown over our Nation's Capitol to recognize Mrs. Magness' amazing life and work. She will be dearly missed by her friends, family, and all who knew her.

COST ESTIMATE FOR H.J. RES. 27—
PROVIDING FOR CONGRESSIONAL
DISAPPROVAL UNDER CHAPTER
8 OF TITLE 5, UNITED STATES
CODE, OF THE RULE SUBMITTED
BY THE DEPARTMENT OF THE
ARMY, CORPS OF ENGINEERS,
DEPARTMENT OF DEFENSE AND
THE ENVIRONMENTAL PROTECTION
AGENCY RELATING TO
"REVISED DEFINITION OF
'WATERS OF THE UNITED
STATES'"

HON. SAM GRAVES

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 7, 2023

Mr. GRAVES of Missouri. Mr. Speaker, I include in the RECORD the cost estimate prepared by the Congressional Budget Office for H.J. Res. 27—Providing for Congressional disapproval under chapter 8 of title 5, United States Code, of the rule submitted by the Department of the Army, Corps of Engineers, Department of Defense and the Environmental Protection Agency relating to "Revised Definition of 'Waters of the United States.'" The cost estimate was not available at the time of the Committee Report filing.

H.J. RES. 27, PROVIDING FOR CONGRESSIONAL DISAPPROVAL UNDER CHAPTER 8 OF TITLE 5, UNITED STATES CODE, OF THE RULE SUBMITTED BY THE DEPARTMENT OF THE ARMY, CORPS OF ENGINEERS, DEPARTMENT OF DEFENSE AND THE ENVIRONMENTAL PROTECTION AGENCY RELATING TO "REVISED DEFINITION OF 'WATERS OF THE UNITED STATES'" AS REPORTED BY THE HOUSE COMMITTEE ON TRANSPORTATION AND INFRASTRUCTURE ON MARCH 3, 2023

	By fiscal year, millions of dollars—		
	2023	2023–2028	2023–2033
Direct Spending (Outlays) ..	*	*	*
Revenues	0	0	0
Increase or Decrease (–) in the Deficit	*	*	*
Spending Subject to Appropriation (Outlays)	*	*	*

* = between –\$500,000 and \$500,000.

Increases net direct spending in any of the four consecutive 10-year periods beginning in 2034? \$2.5 billion.

Increases on-budget deficits in any of the four consecutive 10-year periods beginning in 2034? \$5 billion.

Statutory pay-as-you-go procedures apply? Yes.

Mandate Effects:

Contains intergovernmental mandate? Yes, Under Threshold.

Contains private-sector mandate? Yes, Under Threshold.

H.J. Res. 27 would prevent the Environmental Protection Agency (EPA) and the Army Corps of Engineers from implementing or enforcing certain regulations related to the nation's waters and wetlands under the Clean Water Act (CWA).

The CWA directs EPA and the Corps to serve as co-regulators, along with the states, of the nation's waters. H.J. Res. 27 would prevent those agencies from implementing a final rule, "Revised Definition of 'Waters of the United States.'" as published in the Federal Register on January 18, 2023. The rule, which will take effect on March 20, 2023, defines the scope of waters protected by the CWA.

Under current law, the Corps collects fees to issue permits under the CWA in amounts that, on average, total less than \$50,000 annually. Those fees are recorded in the budget as offsets to direct spending.

CBO expects that implementing the joint resolution could affect permitting requirements for some projects and thus the number of permit applications, but we do not have enough information to determine whether the number of applications would increase or decrease. CBO estimates that any increase or decrease in direct spending under the joint resolution would be insignificant because the fees the Corps collects are nominal.

If the 2023 rule were reversed, the regulations that were previously in place would once again become effective. The administrative burden on EPA and the Corps to reverse the regulations would be minimal, so CBO estimates that administrative costs would be insignificant; any spending would be subject to the availability of appropriated funds.

Implementing H.J. Res. 27 would impose mandates on intergovernmental and private-sector entities as defined in the Unfunded Mandates Reform Act (UMRA) because some property owners would encounter regulatory requirements that they would not otherwise face when the final rule is in effect. Some property owners would face fewer regulatory requirements under the resolution. The cost of the mandate would be any fees and expenses incurred to comply with the regulatory requirements under the CWA.

The number of property owners affected would depend on how EPA and the Corps implement the joint resolution. Even if the total number of applications, on net, decrease or remain unchanged, CBO expects that implementing the joint resolution would require a limited number of property owners to apply for additional permits. Using information from the Corps, CBO estimates the cost of the mandates would not exceed the thresholds established in UMRA for intergovernmental and private-sector mandates (\$99 million and \$198 million in 2023, respectively, adjusted annually for inflation).

The CBO staff contacts for this estimate are Aurora Swanson (for federal costs) and Brandon Lever (for mandates). The estimate was reviewed by H. Samuel Papenfuss, Deputy Director of Budget Analysis.

RECOGNIZING MR. MINORU
HAMADA'S 100TH BIRTHDAY

HON. BLAKE D. MOORE

OF UTAH

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 7, 2023

Mr. MOORE of Utah. Mr. Speaker, I am grateful for the opportunity to honor the abundant and exceptional life of Mr. Minoru Hamada as he celebrates his 100th birthday. Born in Ogden to Japanese immigrants, Mr. Hamada embodies the best our country has to offer and has made Utah proud.

When much of the nation turned a suspicious eye toward their Japanese American neighbors following the Japanese Empire's attack on Pearl Harbor, Mr. Hamada saw an opportunity to demonstrate his allegiance to the United States. He volunteered for the military, joining with other Japanese Americans to serve as members of the 442nd Regimental Combat Team. Many of his fellow soldiers in the 442nd were incarcerated in internment camps created to house Japanese Americans in accordance with President Roosevelt's executive order.

Mr. Hamada and his fellow Japanese American soldiers saw the war as a chance to fight totalitarianism abroad and racial prejudice at home. The 442nd remains the most-decorated unit in U.S. military history for its size and length of service. As a member of the American forces fighting German and Italian fascists for control of the Italian peninsula, Mr. Hamada was wounded in battle. He served in uniform for another two years.

After the war, he married his sweetheart, Martha. They were married for 61 years until she passed in 2007. They delighted in raising two kids and now have two grandchildren and four great grandchildren. Mr. Hamada continued his service to Utah's defense community, making dental prosthetics at Hill Air Force Base and for a local dentist in Layton.

It is through the service and sacrifice of individuals like Mr. Hamada that allow all Americans to live in freedom. His life is a model of courage, selfless-service and altruism that we can all learn from.

I thank Mr. Hamada on behalf of his fellow Utahns and a grateful nation for his service and wish him a very happy 100th birthday.

REINTRODUCTION OF THE
BERRYESSA SNOW MOUNTAIN
NATIONAL MONUMENT EXPAN-
SION ACT

HON. JOHN GARAMENDI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 7, 2023

Mr. GARAMENDI. Mr. Speaker, today I reintroduce the "Berryessa Snow Mountain National Monument Expansion Act" with U.S. Senator ALEX PADILLA (D-CA). I thank Congressman MIKE THOMPSON (D-CA04) and U.S. Senator DIANNE FEINSTEIN (D-CA) for their support as original cosponsors.

Our bicameral legislation would expand the National Monument to include 3,925 acres of adjacent federal land in Lake County, California known as the "Walker Ridge" tract. Second, it would provide new opportunities for federally recognized tribes to enter into co-management agreements for the National Monument with the federal Bureau of Land Management (BLM). Third, it would rename Walker Ridge to "Molok Luyuk," meaning Condor Ridge in the Patwin language of the Yocha Dehe Wintun Nation and other Native American peoples indigenous to the area. Lastly, it would direct the BLM and the U.S. Forest Service to complete the management plan for the National Monument, which has remained unfinished since 2015.

President Obama issued Presidential Proclamation 9298 in July 2015, establishing the Berryessa Snow Mountain National Monument. This set the boundary as encompassing federal land surrounding the Lake Berryessa reservoir but omitted the Walker Ridge tract. My legislation (H.R.761/S.393) in the 114th Congress with then-U.S. Senator Barbara Boxer (D-CA) and Congressman THOMPSON to establish the National Monument would have included the Walker Ridge tract within the boundary.

On October 17, 2022, I and other members of California's Congressional delegation called on President Biden to use his authority under the Antiquities Act of 1906 to expand the Berryessa Snow Mountain National Monument. We also called on Secretary of the Interior Deb Haaland to order the U.S. Board on Geographic Names to officially rename Walker Ridge. I hope that the Biden Administration will act on our request, which is supported by the Lake County Board of Supervisors and Tribal Council for the Yocha Dehe Wintun Nation.

Conserving California's special places has been a lifelong passion throughout my tenure in the state legislature, as Deputy Secretary of the Interior during the Clinton Administration, and now as a Member of Congress. Walker Ridge, soon to be known as Molok Luyuk, is one of those special places. It was an honor to represent Lake County as the U.S. Representative for California's Third Congressional District from 2013 to 2023. I look forward to finishing the job for my former constituents in Lake County by expanding the Berryessa Snow Mountain National Monument for future generations to enjoy.

Mr. Speaker, I encourage all Members of the California delegation to join me in cosponsoring the "Berryessa Snow Mountain National Monument Expansion Act." We must conserve this unique landscape and honor the Native American peoples who walked this land long before our country was founded.
